LIMITED WARRANTY

The Kupferle Foundry Company, St. Louis, MO warrants that its products and parts are free from defects in workmanship and material for a period of one (1) year from the date of purchase when operated in normal use and service

We will repair or replace any part(s), if in our judgment they are defective. Any part claimed to be defective must be returned to us, freight prepaid. We assume no responsibility for payment of transportation charges incurred as a direct result of the repair or replacement of any part alleged to be defective. No back charges shall be considered unless alleged defect product is examined by a Kupferle Representative before excavation and/or repair.

This Limited Warranty shall be void if the hydrant or part(s) have been altered, subject to misuse, impact, or other condition for which it was not designed, or damage caused by the physical or chemical properties of water or liquids used in the product.

The Kupferle Foundry Company will not be responsible or liable for any loss or damage to any person or property, or similar loss, which may result, or claimed to have resulted from defect in workmanship or material of any hydrant or part.
